CKES is truly the place to be. To our sixth graders who will be leaving us remember the people you've met, thank them and the lessons you've learned moving forward. We wish you all the best in your future endeavors.

Please check to see if there are any loaner school uniform t-shirts at your house. The word 'LOANER' is written somewhere on the shirt. If you find any of these, please return to the school office as soon as possible. We also have a lot of unclaimed shirts that were left in exchange for a loaner.

Please come to the school office to look for any articles of clothing that your child(ren) may have lost. Anything left here after the **last day** of this school year will be **donated.**

## The Blue Zones Project Update

Woo hoo!!! CKES is officially the first school in the State of Hawaii to be recognized as a Blue Zones APPROVED school. This means that we have been/ and are working very hard to instill policies, programs, and practices that promote good health for everyone in our school community. There is more that we can do and we can always improve, but over the past few years, much has been done. Some of these things include making sure that food that is sold in fundraisers and outside of the school day, meet the USDA Healthy Snacks guidelines, making sure that students are physically active the majority of PE class (and not just standing around and waiting for a turn), and offering health clinics (vision/hearing testing, flu shots, asthma education, etc.) As we plan for next school year, you can expect to see more changes. We will be participating in the Fresh Fruit and Vegetable Program. All students will be starting the day with movement to get their brains ready to learn. Also, we will be reviewing the guidelines set previously regarding snacks that students bring to school. For now, let's celebrate our successes! You can visit [www.hawaii.bluezonesproject.com](http://www.hawaii.bluezonesproject.com) to learn more about the Project or contact Kerinne Smith or Sacha Enos at 974-4160 to learn more and/or to get involved in our school's efforts.
